

Flo *Director* Purchasing.....

The **Flo-Director** is available directly from us, Murray Electronics Inc. Don't let the name fool you, in addition to home automation, Murray Electronics Inc. has been a consulting engineering firm for the building industry for many years. We currently work closely with many dealers to provide cost effective solutions. Look for more exciting products in the near future. As production increases, we plan to offer a 4 foot segment for entrance doorways and make additional colors available to order. Below, choose from our **convenient website ordering or this fax-back form**. After completeing this form , we will contact you to make payment & shipping arrangements. Please feel free to call or email us for additonal information. Thank You
